

## It's not too late to stop this! Here's what you can do

### Knowledge is Power -- Use It

- Subscribe to the BHA newsletter, and follow us on Facebook, Instagram and Twitter
- Spread the word: share our posts, talk to your friends and neighbors, wear our button and hang our posters in your windows

### Call and Email your Representatives

- Tell the Mayor and DOT:
  - Abandon the Promenade Highway Plan now
  - Any alternative must address the needs of people in affected communities, not just traffic
  - Don't try to do it alone. Push other agencies for traffic mitigation measures
- Tell your Federal reps to support two way tolling on the Verrazzano Bridge
- Tell your State reps to oppose the Promenade Highway and support congestion pricing
